COUNTER SUIT IN AUTO CASE

**Isaac F. Alofsin Asks \$1,000 Damages From Alfred Richards
of Griswold—Their Autos Collided on River Road to
Jewett City—\$12,000 Damages Sought For Death of
Charles J. McKay—Two Divorce Suits.**

Damages of \$1,000 under two counts
are asked in a suit that has been
brought by Isaac F. Alofsin of New
York against Alfred Richards of Gris-
wold, arising out of an automobile
collision on July 31, 1915, on the River
road from Norwich to Jewett City.
The suit is returnable before the su-
perior court in October.

Previously a suit has been brought
and is still pending in which Mr. Rich-
ards is the plaintiff against Mr. Alof-
sin, asking for \$1,000 damages and
that he be doubled or trebled as by
statute provided.

In the Alofsin vs. Richards suit in
which the papers were filed with the
clerk of the superior court on Wed-
nesday, it is alleged that the Alofsin
automobile, driven by Joseph Davis,
an agent and servant, had reached the
curve near the Round Hill farm and
was proceeding up a steep grade at a
reasonable rate of speed with reason-
able care when it met the defendant,
Richards, driving an automobile down
the hill at an excessive rate of speed
and not having his auto under reason-
able control. Before rounding the
curve the plaintiff's driver sounded his
horn but the defendant failed to give
any warning and the Alofsin car,
it is claimed, was run into by the
Richards car and so much dam-
aged that repairs cost \$750.

In the second count it is claimed
that through the collision the plain-
tiff's son, Frederick Roy Alofsin, aged
13, was thrown out of the car, his leg
was cut and he was otherwise in-
jured so that the plaintiff had had
to spend \$150 for medical services. The
32 horse power Cadillac touring car
of Mr. Richards has been attached, but
has been released under a bond for
\$1,100 given by a Norwich dentist.

Divorce for desertion is asked in a
suit brought by Ida Jennes of Norwich
against George Jennes of 1834 North
Seventh street, Philadelphia, to whom
she was married on January 15, 1913.
The petitioner claims that she was de-
serted in January, 1913. She asks to
cancel her marriage and have her maiden
name of Ida Ruchlik.

\$12,000 For Death of C. J. McKay.
The statutory sum of \$12,000 dam-
ages is asked for in a suit brought
against Wm. H. Buckley of Baltic by
Charles J. McKay of this city, as ad-
ministrator of the estate of his fa-
ther, the late Charles J. McKay, whose
death occurred on June 25 last as the
result of injuries received when he
was struck on June 2 by the auto-
mobile owned and driven by Mr. Buck-
ley.

The accident happened about 7:30
in the evening near the junction of
Main and North Main streets in this
city when the McKay was knocked
down and his skull was fractured when
he was hit by the Buckley automobile.
The claim is made that it was being
driven at a dangerous rate of speed
exceeding 25 miles per hour at the
time of the accident, that no time-
ly warning or signal of its approach
was given and the driver was ordi-
narily reckless and discharged.

There is also a suit pending in the criminal
court against the Buckley for the death
of the same accident.

Cruelty and Intemperance.
Habitual intemperance for more
than three years past and intolerable
cruelty since Oct. 26, 1904, are the
charges brought by Ruby O. Lillibridge
of Voluntown, Conn., against Claude L.
Lillibridge of Griswold. They were
married on Oct. 24, 1909, and have
a five-year-old daughter of which
the mother asks the custody.

**BOYS FOUND GUILTY
OF STEALING COPPER**
Two Sent to Reform School—Sen-
tence for Another was Suspended.

James Yeltz, 14, and Julian Fal-
con, found guilty of stealing about
58 pounds of copper and other metal
on Monday night from the old car
shops on North Main street, were
committed to the Connecticut School
for Boys, until they are of age. They
were before the city court on Wed-
nesday morning. They were taken to
Meriden by City Sheriff Rouse. Yeltz
is a native of Italy and Falcone was
born in Mount Vernon, N. Y. Michael
Martino, 15, was also found guilty
of stealing copper, was sentenced to
the reformatory at Chester but sen-
tence was suspended for 30 days and
he was allowed his freedom under
bonds. One man was fined \$2 and
costs for drunkenness and he was
taken to jail by Policeman Ebberts.

**MISSION FUNDS INCREASE,
Episcopal Board Out of Debt for
First Time in Eight Years.**

The Episcopal Board of Missions
Tuesday gave out a statement show-
ing receipts for the year of \$1,067,000
applying on its regular budget, an
increase over the previous year of
\$20,000. That year ended in April
before that by \$25,000. This sum does
not include some hundreds of thou-
sands of receipts applying on special
causes. This year, in spite of war,
was one of the largest in the history
of the Episcopal church.

In addition \$371,000 was raised in
the past few months to meet an
emergency and avoid debt. The sum
amounted was \$400,000, but the state-
ment says that since the excess of
\$20,000 had been received on regu-
lar gifts, the emergency practically
had been met. The statement says
that the board is now out of debt
for the first time in eight years.
